Attention: Michelle Lowe
Allowe Training Resources

Dear Michelle,

I have been very happy to implement the Allowe Training Resources into Marjorie Milner College. They provide a variance of learning outcomes and they seem to cater to a wide range of learners. From the RTO reporting point of view these resources are the best on the market as they feature a training and assessment strategy that complies with the 2007 AQTF National Standards.

We are impressed with the Allowe Training Resources. Your knowledge base and experience clearly shows through the resources.

Marjorie Milner College would be happy to recommend the Allowe Training Resources to Registered Training Organisations.

All the best.

Kind regards

James Milner
Head of Administration
